

CALCUTTA CLUB NEWS

FEBRUARY 2020

Dear Member,
Greetings for the New Year.

January and February are important months in the Club calendar.

The Annual Cricket and Tennis matches with Calcutta Cricket & Football Club were held on 10th January 2020. While our Club lost the Cricket match we won the Tennis tournament.

The International Debate held on 10th January 2020 had a full house. The Club lawns were almost filled to capacity. The Debate witnessed a lively exchange of views by the speakers, which were much appreciated by the audience.

The International Evening, the signature event of our Club, was held on 18th January 2020. We had two music groups from Serbia who enchanted the large gathering. This year we have had a number of 5-star hotels participating in the event. They served delectable cuisine of various countries across the globe. The Consulates of *Russia, Nepal, Bangladesh and Thailand* also participated and presented a whole range of ethnic food items of their countries. The footfall at the International Evening clearly established that this is a premier event of the city. Once again the sponsors were generous in their support to make the International Evening 2020 a success.

The Club participated in the High Court Annual Flower Show and won several prizes.

The Club held its own Annual Flower Show on 24th to 26th January 2020.

The Annual Ladies picnic was held on 15th January 2020 at the garden house of Mr. Gautam Sadhan Bose.

The much awaited Commemoration Day Dinner will be held on 3rd February 2020.

The National Debate, which the Club has been holding for many years with the active support of The Telegraph, is due to be held in February 2020.

In December and January notwithstanding the unseasonal rains and chilly weather the enthusiasm of our members were unbounded and they braved the weather to attend the events in large numbers.

I thank the members for their continued support to the Club.

Sincerely,

Subrata Kumar Basu
President

International Evening
